

Students, Welcome to MyBizLab!

MyBizLab is a dynamic, interactive eLearning program. Your instructor has requested that you have access to this online program.

To access your **MyBizLab** online course for the first time, you need to register and log in. Whenever you want to use **MyBizLab** after that, you just need to log in. You can do both from the same starting point, at www.MyBizLab.com.

To register for MyBizLab:

To register, you will need a student access code and a course ID (provided by your instructor). If you purchased a new textbook, it should have come with a Student Access Kit that contains a code you can use to register. If you do not have a Student Access Kit, you can purchase access online with a major credit card or PayPal account or opt to get temporary access for 17 days without payment (if available for your course) while awaiting Student Financial Aid. **Please refer to the MyBizLab New Design Student User Guide located on the support tab of the MyBizLab homepage for more information.*
